EDUCATION

Mahidol University

B.S. in Computer Science (2004)

OBJECTIVE

I am seeking an opportunity to join a Business and Data Analyst, Software QA or Web Developer Team, where I can utilize my computer technical skills. This encompasses my proficiency as a full-stack web developer, expertise in systems analyst, particularly in SAP Functional (FI, CO, SD, and FO modules), and strong data analysis abilities. Additionally, I can bring valuable customer relations experience to the team, making a meaningful contribution.

WORK EXPERIENCES
